This timeless corona format, with a slightly wider gauge affords the aficionado a bolder experience featuring a higher percentage of piloto tobacco.

COHIBA SIGLO I

45,00 €

The Cohiba Siglo I Cigar claims the title of the smallest Cohiba cigar of all. This is another addition to the Cohiba Siglo collection – created to celebrate the 500th anniversary of Columbus's discovery of Cuba. Although it may be short in size, it's by no means short in flavor – it delivers a medium-full bodied smoke. Containing earthy notes of cedar and barnyard – with distinct leather aromas.
